The Emmaus Road: "Walking Together"

"Lord you walk with me. Help me to walk with you. Amen"

Draw around your feet and cut them out... write this prayer onto the cut outs of your feet, decorate them and display them.

Whenever you walk, imagine these words written on the soles of your feet leaving the imprint of your beautifully decorated feet wherever you tread.

When you next 'go for a walk' you might choose to quietly and prayerfully give thanks for the Lord's presence with you and in all creation, as well as quietly praying for the places and the people that you see on your walk.
