

St Edmundsbury Cathedral

LEGO® Competition **Build a model of St Edmund**

St Edmundsbury Cathedral is inviting entrants to take part in a special LEGO Competition to mark St Edmund's Day, 20 November, 2020.

To take part all you have to do is create your own model of St Edmund from whatever LEGO bricks you have available.

The Rules

Please be creative. There are no limits on how many bricks you can use and you can incorporate your favourite LEGO characters from Star Wars, Minecraft, Friends, etc.

Entries will be accepted in the following categories:

- Age 4 to 7
- Age 8 to 11

- Age 12 and over (including adults)

How to enter

Fill in the application form and include up to 3 photos of your model. Email this to visits@stedscathedral.org by 5 pm on Thursday 19 November 2020.

Although there is no entry fee to take part in the competition, any donations made will allow us to add further bricks to the LEGO model of the Cathedral (for each £1 donated, one brick will be added). See <https://www.facebook.com/stedscathlego> for information on our LEGO project.

Judging will take place on 20 November 2020. The judges will be the Very Reverend Joe Hawes, Dean of St Edmundsbury, Sarah Friswell, Cathedral PR, Visits and Volunteer Manager, and Kelvin Johnson, Cathedral LEGO volunteer.

Prizes

Overall winner: Limited edition LEGO St Edmund 'Wolf' model

Individual prizes for each age category will also be presented (one winner in each category).

All entrants will be invited to the Cathedral, **when permitted**, for an age-appropriate St Edmund themed tour led by one of the Cathedral guides.
