

## Discovery Detectives Trail

Be a detective and solve the clues to take you around the discovery trail. It begins inside the glass door to the Cathedral. Remember you may have to ask questions.

**Stop 1 Step inside and find the cherub with the trumpet...**  
Find the words 'Dieu et mon Droit' which mean 'God is my right'  
What language do you think the words are written in?

**Stop 2 Stand in the place where the angels are looking down on you...**  
What are the angels carrying?  
Can you draw what you see in the angels hands?  
(Hint: *There are three different pictures or symbols*).

**Stop 3 Under the speakers' stage find the Cathedral's smallest resident...**  
What did you find?  
What is it made of?  
Why do you think it is there?

**Stop 4 Follow the scent and find a place with healing properties...**  
How many different scents can you smell?  
Have a close look at the plants and their leaves and/or flowers.

**Stop 5 Around this lawn where the roses grow count the number of arched windows ...**  
How many windows can you count?  
What can you see when you look through them?  
Can you draw them in your notebook?

**Stop 6 Where the bells ring and the ground drops find the remains of the old wall...**

I wonder why the ground is lower here?

**Stop 7 Go to the lawn where St Edmund stands and the wolf protects him...**

What does St Edmund have on his head?  
Draw what he is holding?

**Stop 8 Look up at the Cathedral tower...**

What can you see on the top of it?  
What can you see around the edge of the tower?

**Stop 9 Find the date 1964 on the outside of the Cathedral wall**

Who laid this stone? (Hint: stay on the South side)

*Make your way back towards the Cathedral entrance*

**Stop 10 Look at the carvings on the outside stone work.**

Take a close look at them, what do you see?  
Write down what they look like.  
Have you seen any of them before on the trail?

**Stop 11 Find the place where you can get a gift...**

Show your leaflet or a drawing from the trail and collect your badge.
