Welcome

Thank you for thinking of applying for the role of Non-Executive Chapter Member at St Edmundsbury Cathedral. We hope, after reading this application pack, you will decide to send us your application. We foster an environment of inclusivity and welcome applications from all age groups, backgrounds and Christian denominations in which you may belong to. We also encourage applications from those who are not local to the Cathedral but may have a strong influential affiliation with Suffolk.

St Edmundsbury Cathedral is situated in the historic market town of Bury St Edmunds, and serves the diocese of St Edmundsbury and Ipswich. It is at the heart of community life, a natural gathering place for worship, reflection, refuge, celebration, mourning, pilgrimage, debate, questioning and storytelling.

The successful candidate will be joining us at a time of unique challenge and opportunity. As we diversify what the Cathedral means to the local community and visitors, we are building a team here who are thinking outside of the traditional trappings of a place of worship. We want to be a place for fun, for challenge, for excitement and above all else, inclusivity and welcome.

All the usual requirements that you would expect for such a post are set out in the job description which follows. If you think you might be the person to join the team, we would be delighted to receive your application.

The Very Reverend Joe Hawes
Dean of St Edmundsbury

Who are we?

St Edmundsbury Cathedral is Suffolk’s Cathedral, situated in the heart of Bury St Edmunds, open and available to everyone. As a physical place it is the cathedra, the seat of the Bishop, a centre for worship and mission, and is a symbol of the aspirations of the wider diocese. As a spiritual place it is a focus for pilgrimage and pastoral care. As a place of heritage, located on the historic Abbey of St Edmund site, it is a window into key moments from the past thousand years. As a cultural place it is a venue for learning and exploration, for artistic and musical imagination. As a convening place it gathers communities in debate, questioning and discussion. St Edmundsbury Cathedral is all of these things: a gathering place for the communities of our diocese and county, and for pilgrims and visitors from farther afield.

It is also a lively and exciting place to work! After almost 50 years of building work and renovations, our former Parish church is now a beautiful example of a medieval build recreated in modern times. We’re open for worship and visitors seven days a week, all year, providing a sacred space of welcome for reflection, prayer and sanctuary. We also offer music, events, learning and pilgrimage, as well as our Cathedral Shop and Pilgrims’ Kitchen.

More than 250 Volunteers tend the garden, welcome visitors and assist in our learning and community programmes.

Inclusive Church

We are an Inclusive Church and warmly welcome applications irrespective of gender or sexuality. We also encourage applications from Black, Asian and Minority Ethnic (BAME) candidates, who are currently under-represented on the Cathedral team.

Safeguarding

All staff and volunteers are expected to demonstrate a commitment to safeguarding the welfare of all children and adults who may be vulnerable, who are involved with and/or visit the Cathedral. This will include adherence to policies and procedures, following good practice in relation to their own behaviour and conduct and undertaking any safeguarding duties commensurate with their specific role.

The appointed candidate will need to have an enhanced DBS check (including barred list check) before commencing work. Safeguarding training will be given.
Our values inform how we do things at the Cathedral.

We hold our Benedictine principles close—principles such as love, care, hospitality, and community—and are presenting these values in a way that relates to and can easily be understood in the 21st century. They are about how we work with each other, how we talk about the Cathedral, how we reach out to the whole of Suffolk and beyond, and how we transform ourselves as we grow together.

They are Faith, Welcome, Compassion and Confidence.

- Faith in God, Father, Son and Holy Spirit and God’s unconditional love for all people. This is our Christian conviction, and it is what defines and shapes us;
- Welcome to friends and to strangers; to people of all faiths or none; to those with whom we agree and disagree - building a culture of openness and collaboration and generosity across the county;
- Compassion working alongside people in need, expressing love, tolerance and respect through our actions;
- Confidence to challenge wrongs; to be honest about who we are and what we stand for; to be daring in what we do, how we do it and who we do it with.
St Edmundsbury Cathedral became a registered charity on 2 May 2023 and is looking to appoint additional independent non-executive members to join Chapter which is the Board of Trustees. Chapter is accountable for the governance, strategic direction and management of the Cathedral, and has ultimate responsibility for the care, maintenance and development of the Cathedral estate, all aspects of Cathedral activity, and for securing its long-term viability and financial sustainability.

The objects of the Chapter are:
(a) to advance the Christian religion in accordance with the faith and practice of the Church of England, in particular by furthering the mission of the Church of England;
(b) to care for and conserve the fabric and structure of the Cathedral Church building;

The Cathedral has an annual turnover of approximately £2 million, which is spent each year on operating costs, and on maintaining the Cathedral building and properties. The Cathedral has approximately 45 employees, of which 16 work in the shop and café under the trading business St Edmundsbury Cathedral Enterprises Limited.

Membership
The Chapter consists of the Dean, the Residency Canons and other lay members holding appointed or elected positions. The constitution allows for between 8 – 12 members of Chapter. Currently, membership comprises the Dean and the Residency Canons (5 clergy) who serve as executive members. One member serves as the senior non-executive member who is a lay person appointed by the Bishop. He is also our member with relevant finance experience who chairs the Finance Committee. Two of the other non-executive members are directly elected from the congregation. We are now seeking to appoint up to three additional non-executive members.

Term of Office
Non-Executive Chapter members are generally appointed for a term of three years, and subject to the approval of Chapter and with the agreement of the non-executive member may serve a further three year term, which is the maximum permitted term of office. The role is voluntary and unremunerated. Expenses are paid in respect of some travelling costs, in accordance with the Cathedral’s policies. The appointment is subject to satisfactory references.

Time Commitment and Meetings
Chapter usually meets between six and eight times each year generally on various dates and times to accommodate all. Meetings are held in the Chapter Room within Abbey House beside the Cathedral and the business agenda rarely exceeds two hours. A light buffet follows each meeting of Chapter, allowing time for members to socialise. Attendance at some sub-committee meetings as appropriate.
Key Responsibilities

Non-executive members of Chapter ensure that the focus of the Cathedral is the promotion of the Christian faith, maintaining an effective balance between that and its important financial and commercial obligations and ventures.

Members offer strategic advice and oversight on all aspects of the work of the Cathedral, including ensuring compliance with all regulations and statutory obligations and adherence to the highest standards of good governance. They also offer constructive challenge to the executive team, offering expertise and experience to help with evidence-based decision-making.

Chapter members advise and support the Dean, Residentiary Canons, and Chief Operating Officer on issues that are within their areas of particular expertise.

Chapter members are invited to bring innovative thinking, together with new ideas and insights, to help secure the long-term future of the Cathedral and the delivery of its strategy through the Masterplan 2030. Particular emphasis will be placed on members promoting the life and work of the Cathedral at the heart of the Bury St Edmunds community, across the county of Suffolk and the wider eastern region.

Chapter members are welcomed as leading members of the Cathedral community and as such are encouraged to take part in meetings and events. Visible participation in the worship at the heart of the Cathedral’s mission is an important expression of the non-executive membership of Chapter.
